P/MFL/French/Topics/High frequency words [then filenames]

We have put together 13 TaskMagic files which will help you to practise the most common words which sometimes catch you out.

For each file do (1) Flashcards and (2) ONE other game.
Don't do type, hangman or pool unless your teacher tells you to.

Tick to show that you have done the file, then move on. Don't spend longer than 5 minutes on each file.
